THE PROJECT

ED-EN HUB is an Erasmus+ project co-financed by the European Union and developed by a consortium made up of 8 institutions from 5 different European countries.

From 2021 to 2023 this international alliance developed tools and methodologies towards the creation of synergies between educational institutions and enterprises : among others a toolkit for the joint development of transversal and transferable competences, a self-positioning tool for guidance professionals and policy recommendations to support education and enterprise collaboration.

THE EVENT

During this closing event, you will have the opportunity to

- Discover and experiment the **ED-EN HUB tools and methodologies**
- Listen to an inspiring keynote about the **Finnish education system**
- Listen to a roundtable involving **European policy makers**
- **Network** with some other actors of the ecosystem
